## Changes! by Deena Candler, Interim Pastor

For the past nineteen months it has been my privilege to serve as the Interim Pastor of West Hills Church. We have all known that the purpose of this time was to prepare West Hills for what is ahead. We have prayed for healing, and prayed for the future pastor. For the past seven months, the Pastor Nominating Committee whom you elected has worked prayerfully discerning God's spirit for who He was calling to lead in ministry. On Sunday, July 28, that became clear as the Rev. Andy Hamer preached his candidating sermon. I am wondering if everyone else noticed what I did that morning—that as he preached the sun radiating through that beautiful window behind him began to shine brighter and brighter—almost as a visual statement from God that this is the one He has called. At the congregational meeting immediately after worship you unanimously elected Andy to serve as your pastor.

I am thrilled at what God is doing. In the little bit that I have had the opportunity to get to know Andy, I believe he is well suited for this call. I also know what few others do—that this church will be a great blessing to him and to his family. I can speak that through personal experience. Andy will begin his call at West Hills Church on September 2. His first Sunday preaching will be on September 8. The weeks ahead will be busy for him and his wife Theresa, and children Kathleen and Caroline. Please keep them in prayer for all the transitions they are making.

Rev. Gary Eller will preach and offer communion on September 1.

This means personal changes for me as well. After serving West Hills Church for almost twenty-two years I will be retiring. I plan to stay in Omaha for the foreseeable future. I suspect I will be doing some traveling and some volunteer work, and perhaps take my dog through therapy training.

My last Sunday at West Hills will be August 25. We will have one worship service at **10:00 a.m. followed by a retirement lunch.** I hope you can join us. It will not be easy to leave you...but I believe God is in the midst of all that is taking place and that He has called just the right person to minister with you and lead this church into the future...on the journey with the living Christ!

## Skinner East-Block Party

THANK YOU to all that provided items for the Skinner East block party on June 15. On all accounts it was a great success and fun was had by all!! Unlike past Skinner East events, ABIDE joined forces with the Butler-Gast YMCA to hold the neighborhood party at the YMCA location. It was a beautiful evening with so much to see and do. There was face painting, jump houses, crafts, games, music, line dancing, and of course the hot dogs, chips, and cookies provided by West Hills members! With the help of our Light House resident, Marcia Kittrel, we served up food to over 300 attendees! The next event with our Skinner East friends is September 14, so stay tuned for more details!

## Celebrations Event

On June 21, several people from West Hills took a tour of the Durham Museum to see two special exhibits. One was the spectacular dinosaur exhibit and the other was the American democracy exhibit. As you entered the dinosaur exhibit you were met with a huge screen showing live dinosaurs running along the streets of Omaha along with the sound of their feet. As you turned the corner a live picture of each person was on the screen among the running dinosaurs. So realistic! Brodie Vermilyea (Jan and Galen's twelve year-old grandson) was really absorbed in this visual. Those in the group that were fascinated with dinosaurs got to experience the reality of their size and ferocity as full size structures of several dinosaurs were on exhibit.

The American democracy exhibit was very interesting also, with pictures and questions about the reasons behind amendments to our Constitution. It was a great lesson in some of the history of our country.

The tour ended with a trip to the old fashioned soda fountain located on the main floor of the museum, yum. Lots of ice cream and conversation was enjoyed by all.

## Science & the Bible

The environmental devastation of our (could be) beautiful earth was foreseen in Revelation 11:18 where it says, *"He will bring to ruin those ruining the earth."* The earth was meant to be our home and we were commanded to subdue it and take care of it. However, what we see is pollution, destruction and corrupt dominion.

## Spiritual Correspondence by Jana Prescott

How often have you wondered which direction God is sending you? That's a thought that is hiding in my head pretty much constantly anymore. Am I full of some thoughts that end with "am I serving You in the midst of my coming and going"? Or is my heart set on answering Your request to me no matter what direction my head seems to want me to go? It is quite a challenge: your head saying "do this" while your heart says "no, do this." So which way do you go? For me, that's quite a challenge when my decision will really matter. In fact, I know Christ has led me to a place where my head was screaming a big "no" to repeating the process I had already gone through, but my heart was letting me know that I should swallow my fear and go through with this: an operation that really would bring my right leg to its God-made correct position. Of course, that would at first give me a couple months in rehab having therapy, and living my life for a time in a wheelchair and with home therapy, but that will come when all Christ has been telling me will come true! What kinds of issues have you had to deal with that Christ knows about and is helping you to deal with? And I am so grateful for all of your prayers! And please know that each of you is in my prayers.

## Triple Berry Trifle

*This Triple Berry Trifle recipe is delicious! Light in calories with fruity flavor, I could eat the entire thing myself. One of my favorite trifle recipes! Submitted by Caitlin O'Hare from Life, Love & Sugar.*

Prep Time: 3 hours 30 minutes-NO bake

Yield: 10-12 Servings

### INGREDIENTS

2- 3.4 oz packages instant cheesecake flavored pudding mix\*

4 cups milk

Angel food cake (about 12 oz), cut into pieces

1 cup chopped strawberries

1 cup blueberries

1 cup chopped raspberries

12 oz. container cool whip (or homemade whipped cream)

### INSTRUCTIONS

1. Add pudding mix and milk to a large bowl and make according to package directions.

2. Add about half of the angel food cake pieces to the trifle dish.

3. Top with about half of the prepared pudding.

4. Top pudding with about ½ cup of each kind of berry.

5. Top berries with about half of the cool whip.

6. Repeat steps 2-5.

7. Finish off trifle with additional berries on top.

8. Refrigerate for 2-3 hours, until ready to serve.

\*could be replaced with vanilla flavored pudding if you can't find the cheesecake flavored pudding

### NOTES

Amounts of berries listed are for inside the trifle. If you want to be able to use sliced strawberries to decorate the edges of the layers and have enough berries to add to the top, you'll need additional berries. I'd recommend a one pound container of strawberries. To add more blueberries and raspberries to the top, then an 11-12 oz. container of each.

Anovel by Joan Mueller, "Francis: The Saint of Assisi."

This book brings before us Sts. Francis and Claire as we have never seen nor heard of them before.

According to Wayne Hellman, of St. Louis University: "With lively imagination, Francis: The Saint of Assisi entices the reader to experience the dynamic of a family business, the squalor of a prison, and the intriguing gossip of thirteenth-century Assisi's town square. Carefully scripted according to new sources and contemporary historical research, Joan Mueller succeeds in offering "spirit and life" as she unfolds the social impact of the Gospel choices made by Francis of Assisi. This is a giant step forward in writing anew the life of St. Francis."

Joan Mueller, Ph.D. is known for her work as a Franciscan scholar and writer, she has written numerous articles and five books.

# Roar, West Hills by Kerri Stoffel, VBS Director

From June 23 - 27, West Hills was transformed into an African savanna to set the stage for this year's Vacation Bible School theme: ROAR! Life is wild...God is good!

Families began the evening with a delicious, homemade dinner each night, and the Fellowship Hall was filled with people making connections with new and old friends. At 6 o'clock each night, VBS roared to life in the sanctuary, and children explored different ways God is good through song, Bible lessons, play, art, and reflection with their peers. Children shared in showing others God's goodness by donating more than 450 food and personal care items to our mission partners at Heartland Hope Mission to support local flood victims.

We tried some new things this year, and we were really thrilled with what God did with them! First, we took a team approach to decorating, selecting five impact areas of the church to focus on, and asking ministry groups to adopt an area. Five groups responded

while they colored, journaled, and wrote their "God Sightings" on safari animals. You will want to take a minute to read these. You

can see them along the main and lower level hallways leading to the elevator. The kids and crew leaders each had a journal they used for this time, which they got to take home to help them remember that God is good all the time.

We also broadened our invitation base this year, reaching out to new families in OPS as well as in Westside. Through this and your personal invitations, we got to share the truth of God's goodness with a number of kids who were new friends for us! About a third of the children were new to West Hills, about half the kids who attended have come to VBS or another West Hills event before, and the remainder are kids who regularly celebrate God's love at West Hills on Sunday mornings. Let's be praying for opportunities

with enthusiasm, and the result was awesome! A lion-sized thank you goes to the Wednesday morning Bible study, Caregiving and Mission Ingathering Teams, West Hills Youth, and a committed core of Children's Ministry volunteers for creatively and colorfully setting the scene for kids and families to experience the truth that God is good!

The VBS leadership team made some changes to tailor ROAR to fit the West Hills Church mission and vision. One of the things we were particularly excited about was adding a time into the evenings called Crew Connect. This new station gave the crews a time to get to know each other better, to reflect together about the Bible Point, and to consider where they have seen God working

to continue to touch the lives of those kids who came and learned of God's goodness for the first time, as well as walking with those kids and families who have been on the journey but encountered His goodness in a new way at VBS this year.

Thank you to the countless volunteers who decorated, cooked, donated items, and of course to those of you who dedicated countless hours during the week of VBS! You are AWESOME! It takes the whole church family to deliver such an inviting, safe, wholesome, and life-changing week for our young people! God is SO good!

## New Growth-New Beginnings by Karen Lofgren-Anderson, Deacon

---

Spring is a beautiful time of year. Flowers burst through the ground; blossoms begin to unfold. The fragrance of new growth is in the air. Trees branches reach out further and trunks grow in height and width. The sound of birdsong is heard.

The same is true of children: Growth spurts. With maturity, they set

aside toys and activities they enjoyed when they were younger and begin to learn new games and activities as they increase their knowledge and skill.

I believe in God and this adventure of life. There are new ideas and activities I like to pursue on an ongoing basis. Over the years I've learned how to paint landscapes and florals in oils and watercolors. More on this in a moment.

I began to sew when I was about 7-8 years old. Techniques, tips and tricks were taught by my mom, my Grandma Lofgren, Extension Educators, 4-H leaders, and professional seamstresses and quilters over the years. I've even begun to teach my 7-year-old granddaughter Elliot how to thread the sewing machine and how to sew simple projects.

Life with Christ is a journey. Just like learning an activity and becoming better at it each day, my walk with Christ today is different than my walk with Him was as a 10-year-old who had just turned my life over to Him. He has taught and surprised me along the way.

Recently God surprised me. I'll back up a little. God had nudged me to get creative with quilts; to combine paint and fibers into art. I signed up for and took an art quilt class winter 2019. I was in the process of interpretive quilting on that piece when Kevin Gibson asked if I would help come up with an idea to decorate the communion table for Pentecost Sunday. I felt honored to be asked.

He shared links with pictures of what a few other churches had done and brought a piece of red and orange fabric for color concept. He explained how various religions use different colors to represent Pentecost. The color red is used to signify the tongues of fire of the Holy Spirit set upon the disciples of Jesus on Pentecost Sunday. Pentecost is a day of celebration

occurring fifty days after Easter. It's a celebration of new beginning for all, it's a day of the new spirit.

First I prayed and then set out that evening by drawing in pencil, then colored pencils. Different concepts on different pages. None of which seemed like 'the one.' Things were left to percolate over

night. The next morning, I prayed again. Over breakfast I began a new drawing in colored pencils with reds, oranges, and yellows. When I set down the colored pencils and looked at the drawing, a cross appeared on its own in the center of the lower third of the drawing within the yellows. It's the first time that has ever happened to me. I was blown away in surprise and knew God wanted a cross on the quilt.

Through collaboration with Kevin, the drawing was selected in concept and fabric was chosen. The process of cutting up perfectly good fabric into pieces, fabric layout and placement, then sewing pieces together began. The quilt evolved into a parallelogram shape. Only God could make a quilt into that shape effectively. Fellow quilters, you know what I'm saying! Cut Up and Quilt in Council Bluffs, Iowa, did the longarm quilting of the cross and dove of peace. The gold binding and cross are in gold lame.

I call the quilt The Parallelogram. Yellow represents the light of the Holy Spirit radiating and rising up. Red represents the tongues of fire. Orange represents wind blending light and fire. Gold represents pure refinement. The Holy Spirit made this quilt. I was merely the hands He used.

Isaiah 43: 18-19

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.

Philippians 3:13-14

Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.
