When people are in Christ
something wonderful happens!

Starting at the arrow, cross out every letter C for covers.
Read the remaining message.

We should make God's truth plain to those
around us by our way of life. Our lives should
become more Godly every day.

Place letters in the empty boxes in each row to make 3 words.
A clue is given for each word. (The middle word will share its
first and last letters with the words to its right and left. One has
been done for you.) Then use the words in the columns
to complete the message.
